Do you live alone and do you know about Operation Reassurance? This program is part of the Haworth Police Department. When you sign up for this program, they will give you a number to call each morning before 10:00. If they do not hear from you, they will call you, and if they do not get an answer, they will come to your home to check on you. This is a wonderful program that can give you much security, or reassurance, that someone is looking after you. For more information, call the Police Department at 201-384-1900.

Haworth Senior Van is available five days a week, 8 A.M. to 2:30 P.M. for doctors' appointments, hospital visits, grocery shopping and mall shopping. Have you been taking advantage of it? Just call 201-385-3577, leave your message on the answering machine and John will get back to you.
