

HAWORTH SWIM CLUB

Don't miss out on the summer fun!

The 2020 Membership Application for the Haworth Swim Club is here!

Don't miss your chance to join the best town pool in Bergen County. The Haworth Swim Club is a long-standing town tradition, tucked away in one corner of our quiet, restful community in Northeast Bergen County. New membership options are available this summer, and there are plans to fit the needs of all families and individuals. Daily rates for non-members are also available this summer!

Residents and non-residents are invited to enjoy our little hideaway. Our 6-acre setting offers plenty of sun or a chance to relax in the shade of our eighty-foot tall trees. Enjoy a refreshing dip in one of two full size pools, or watch the kids splash in our kiddie pool. Our three pools are opened during the summer season and offer a competitive swim team as well as swim lessons for members. The barbecue grill area is a great place for birthday parties and family gatherings. Double hoop basketball court, ping pong tables, and a variety of board games are available for your enjoyment.

Be a part of a special community by being part of the Swim Club: see friends you haven't seen in a while; shake hands with someone you may not have known previously; watch your children grow and make the best kind of memories - summer memories!

The pool will open on Saturday, Saturday May 23rd, 11am-6:45pm (weekends only). The swim club will open for the full season on June 25th, 11am-7:30pm daily!

We look forward to seeing you poolside!

Sincerely,
HAWORTH SWIM CLUB COMMITTEE
