

Tennis Permit Application

TENNIS PERMITS

Tennis permits are required by both residents and non-residents to play on the courts on Park Street. A resident is any person who resides in or owns property in Haworth. A family shall include two adults occupying the same Haworth residence and all dependent children (18 years and younger). All players 19 years and older must purchase their own permit. Permits can be purchased at the Haworth Borough Hall and by mail-in registration.

Guests may play a maximum of 3 times each year. All courts must be reserved online (instructions below).

A limited number of **non-resident** permits will be sold on a first-come, first-serve basis.

A recommendation by a permit holder is required for all first time applicants. Downloadable forms are available by clicking here: [Haworth Tennis](#). Previous permit holders will have priority.

Entry gate codes will be changed throughout the season. Permit holders will be notified via email, **please make sure to include an email address when registering.**

Permit checks:

The Haworth Recreation Department reserves the right to check permits at any time. Players must have their permits on hand for verification.
