2019 DOG & CAT LICENSES

FREE RABIES CLINIC

**SATURDAY, JANUARY 12th, 12:00 PM- 1:00 PM, AT BOROUGH HALL
FOR ALL DOGS & CATS**

SPECIAL NOTE TO ALL DOG OWNERS - The State requires dogs with rabies vaccinations expiring any time before 11/1/2019 be revaccinated before we can issue a 2019 license. **If your pet's vaccination expires in 2019 and you don't take advantage of the free rabies clinic, please note you should still apply and pay for your pet's license in January. It will not be issued until we receive notification that your pet has been vaccinated; however, it will save you from paying late charges.**

This notice is a reminder that **dog and cat licenses must be obtained during JANUARY**, in order to avoid a late charge of \$5.00 per month, per dog/cat. This additional fee will be added for each month of delinquency after Feb. 1st until the license is obtained. Your cooperation in complying **before February 1st** will be appreciated. The Borough Clerk's Office is open weekdays from 9 AM to 3 PM. You can also leave your completed application with check and self-addressed envelope in the drop box located near the Police Department entrance.

FOR YOUR CONVENIENCE, may we suggest you use the attached mail-in application. In so doing, please remember to include the following:

1. Copies of vaccination and neutering information**
2. Your check made payable to - Borough of Haworth
3. A self-addressed, stamped envelope
4. Please use a separate application for each pet

****If this is your dog's first license in Haworth, or if neutering took place during the past year, you must present verification of this when applying for the license.**

License fees (during January, 2019) are as follows:

<u>DOGS:</u> Neutered	\$ 11.00	<u>CATS:</u> \$ 8.00
Unneutered	\$ 14.00	

The purpose of this notice is to help us keep our dog and cat records up to date. If you do not own a pet and never have, please disregard. However, **if you previously registered a pet with our office and no longer own the dog or cat, please call our office and let us know.** Thank you.

If you have any questions, feel free to call this office at 384-4785.
