Dear Haworth Neighbor,

Haworth's Spring season has arrived, and with it all of the programs and activities we have come to enjoy so much. In addition to the Memorial Day Parade and the Fishing Contest at the pond, the Woman's Club Flea Market is returning in a new and bigger way and Haworth will celebrate its status as a "Tree City USA" on Arbor Day. Please read this newsletter for more details.

We are also improving our communications to let you know about upcoming events and services in the Borough. If you are reading this you are probably already on the e-mail distribution list, but please tell your friends that they should go to www.haworthnj.org to sign up, too. It saves money in the budget, and helps us get timely information to as many people as possible.

Finally, a big thank you to everyone who has worked with us to control costs, including Borough employees, our vendors and suppliers, and especially to the residents who have adapted to the new garbage and recycling services. We are all working hard to demonstrate the pride we have in our hometown of Haworth.

John Smart, Mayor

Alkaline batteries now fall below Federal and State hazardous waste standards and can be disposed of in the regular trash. Batteries that must be recycled are rechargeable batteries found in cell phones, cordless phones, cordless power tools, laptop computers, digital cameras and remote-control toys.

The label on the battery will indicate if it is rechargeable. If it says "Alkaline", dispose of it in the trash.

Rechargeable batteries can be recycled at participating retail locations including the following: Radio Shack, Best Buy, Staples, Target, Office Max, Lowes, Home Depot, Sears, Wal-Mart and Verizon Wireless. To find a retail collection site, use the collection site locator at www.call2recycle.org or call the consumer helpline at 877-2-RECYCLE.

Shade Tree Commission

Keeping Haworth Beautiful & Green

A resounding cheer to all of you who saw our Haworth Shade Tree Commission invitation on the Haworth News Facebook page and asked for trees to be planted free-of-charge on your Borough easement! They will be planted promptly!

Can you guess the reason for the following refrain: "Admiring visitors remark that Haworth is like being in the country"? As for us, here's the reason: our big trees. The variety of mature oaks, Zelkovas, Crimson King Maples, Patmore Ashes, Shademaster Locusts, Purple Leaf Plums are just a few of the big trees on your property and on our Borough easements. But there are many other reasons why our big trees should be valued and protected, including the following:

1. Trees help purify the air we breathe by absorbing pollutants.
2. Trees increase property values and improve the tax base of communities.
3. Trees improve both house appeal and neighborhood appeal.
4. Trees cool our cities and towns by reducing heat generated by buildings and paved surfaces.
5. Tree shade, properly placed, can save an average household up to $250 annually in energy costs.
6. Trees reduce the amount of pollutants in sewer systems, saving communities millions of dollars in water treatments costs.
7. Trees soften harsh building lines and expanses of pavement, making environments much more pleasant.
8. Trees provide habitat for birds and other wildlife, maintaining a balance with nature.
9. Trees reduce the amount of water-borne pollutants that reach streams and rivers. (NJ Shade Tree Federation)

Your much needed financial support will be greatly appreciated. Contributions may be made payable to "The Borough of Haworth," marked for the HSTC.

You may also participate in the PLANT-A-TREE program. Purchasing and planting will cost approximately $250 to $500, depending upon species and size, and is generally limited to shade trees. Checks may be made payable to "The Borough of Haworth," marked for the HSTC PLANT-A-TREE PROGRAM:

1. BOROUGH EASEMENT PLAN: Plant a tree or trees on the easement between the road and your property. You buy the tree and the HSTC will plant it.
2. MEMORIAL TREE FUND: Plant a Memorial Tree at a special site, in memory of a loved one.
3. DONATION: Make a contribution to the HSTC towards the planting of trees on Borough property.
4. REPLACE-A-TREE FUND: Choose a Borough tree that you like that is unhealthy or dying, and plant another tree nearby to grow and replace it when it goes.

Our ultimate objective, as always, is to Keep the Canopy Over Haworth Green.

Thank you.

The Haworth Shade Tree Commission

FROM THE TAX COLLECTOR

Thank you for paying your taxes on time, as a strong town-wide tax collection rate is beneficial to all. As a result of your punctual payments, our tax collection rate for 2015 was 98.3%.

To New Homeowners: Congratulations on your new home and welcome to Haworth! If you did not receive the tax bill from the previous owner at your closing, and you do not have a mortgage company escrowing your taxes, please call the tax office (201)384-0450 x21 to have one printed for you. By statute, it is the homeowner's responsibility to ascertain the amount and due dates of property taxes, but we need to hear from you in order to answer your questions.

Post-Dated Checks: By statute, our office is required to deposit payments as soon as they are received and we cannot accept "post-dated" checks. Therefore, ***please*** date your check the day you write it out, just as you would if you were paying in person.
