BOARD OF HEALTH BUSINESS

1. Flu Vaccine Clinic - Recap

The Flu Clinic held at the Ambulance Corps. Dr. Davis thanked Mr. Nakashian for coordinating the use of the Ambulance building, Dr. Hodes-Wertz, Dr. Kaufman, Wes and others for their help. 57 vaccinations (High and regular dose) were given to men, women and children. This was more than the previous year. It was busy for 2 hours. If possible, they will have it at the Ambulance building again next year.

The September class was full. Because of the interest, Dr. Davis will schedule another class possibly in January 2025.
