

**Haworth Environmental Commission  
Minutes  
March 25, 2014**

**Present:** Peggy Blumenthal, Mary Beth Postman, Nancy Wysocki, Polly Zurlini

**Council Liaison:** Michael Bain

**Absent:** Ben Goldstein, David Roth, James Zagelmeyer

The meeting was called to order at 8:10 by Nancy Wysocki. Due notice of the meeting was given in accordance with the Open Public Meetings Act.

**Education Programs:** Nancy has contacted the school several times to set up presentations for other classes. They have not responded. She will contact again.

**Earth Day:** Nancy reported that there will be an Earth Day celebration in various places. The ones that she was aware of are Norwood, Tenafly, Van Saun Park and Overpeck Park.

**BCEC:** Nancy noted that on March 31st, the Bergen County Environmental Council will be having a gathering for all Commissions at the Bergen County Administration Bldg. Several experts will give presentation regarding Storm Water Management, and Rain Gardens.

**Deer Control:** There was discussion regarding putting up deer crossing signs which would alert drivers of the areas where deers run in front of a car. The signs would be for driver safety. Michael Bain noted that he has seen signs in other towns. He will look into it.

**Tree Cutting:** It was noted that Haworth Country Club is cutting trees near the water which is bad for the drinking water. It was suggested that there should be a tree ordinance that restricts the clear cutting of trees. Mary Beth will see if other towns have ordinances.

Meeting adjourned 9:00 PM.  
Respectfully submitted,  
Nancy Wysocki
