A vote was taken and approved to have Foliage Design once again decorate Terrace St with holiday lights, wreaths, garland and bows on every lamp post. They will also decorate any lamp posts by the Post Office and the also the signs by the Rail Road crossings. This cost will not exceed \$4,000.00 Old Business: Mulching and weeding is finally completed at the pond by local landscapers as a donation to the town.

DPW has planted the new play diggers at Park St and deposited pea gravel in that area.

Mulching and weeding was also completed at Park St by town volunteers DPW repaired a piece of the equipment at Park at a cost of \$36.00 New Business:

Many of the 8th graders of Haworth Middle School have been invited to work for their community service for the PPC. This will include garbage detail, watering (done) and weeding We were happy to hear that James Luethke will be sending sketches out to the PPC for our approval on the new signs by the RR crossing. We expect to break ground this year.
