Rick Swarthe

The meeting came to order at 7:00 p.m. and the following statement was read: "This is a regular meeting of the Shade Tree Commission of the Borough of Haworth. I am informed by the clerk that adequate public notice has been provided by posting a notice on the bulletin board in the Municipal Center, and by mailing notice to all persons who requested same and prepaid the cost fixed by the Council."

We will prepare questions for an intended conference call with Mayor Ference.

Trees to be planted on Borough easements are in demand, which may necessitate a commensurate increase in the HSTC budget.

We will set dates, mark sites, and finalize lists for Spring and Fall planting.

Do the mark-outs in three weeks.

Fall planting should be completed in October.

Trees in our Farm need regular watering.

The Tree Farm can accommodate only small buckets.

Two more emerald ash borers were found in our Borough trees.

Two trees on Chestnut Bend may need to be taken down (at a cost of c. \$3,200).

The meeting adjourned at 8:30 p.m.

The next scheduled meeting is on Wednesday, September 16, 2020 at 7 p.m., the site to be announced.

Respectfully submitted,

Doug Kurjian
